

Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

FOREWORD

This volume of THE ANNALS constitutes the Proceedings of the Conference on The World's Food held by the Academy in Philadelphia on September 14 and 15, 1917. The Academy is obligated to many for assistance in arranging for this conference. Our appreciation is particularly due to the many governors, mayors and public officials who appointed delegates to the conference, for these delegates gave to the conference a seriousness of purpose that was felt by those who addressed the conference as well as by those who attended or participated in the discussions. We also gratefully acknowledge the assistance of the program committee. The following, among others, were particularly helpful in planning the program: Charles R. Van Hise, Chairman, Gifford Pinchot, Irving Fisher, Alonzo E. Taylor, Clarence Sears Kates, Harry Hayward, Samuel S. Fels, Mrs. N. D. Hitchcock and M. T. Phillips.

CLYDE L. KING, *Editor*.
